Instinct is everything. A home speaks silently. But you know this because you've felt it.

Walk in and immediately you feel that it's where you belong.

133 Hazelton is instinctively European: gentle proportions; smooth limestone exterior; a discretion of superior quality. It also speaks to your instinct for comfort: an architecture of grace that encircles you in a sanctuary; terraces and balconies that extend out into the tree, residential neighbourhood of Yorkville, generous as an unexpected invitation. There's a service staff, including a 24/7 concierge; a fitness retreat, private theatre, entertainment suite and overnight accommodations for guests.

Our Presentation Gallery says it all. It speaks to how we think and the exacting standards to how we build. Visit us at the corner of Davenport and Hazelton to feel what we mean when we say it's instinctively home.

Monday to Friday 9:00 am – 7:00 pm and Weekends 11:00 am – 5:00 pm.
