Townhomes 1, 2 and 3, Hazelton Avenue

EVERYONE KNOWS THE CHARM OF YORKVILLE. On the quiet, residential street of Hazelton Avenue, under the shelter of mature trees, there's a row of noteworthy townhomes that have been part of the historic mid-town neighbourhood for generations. Situated close to the best the city has to offer – boutique shops, galleries and the restaurants everyone talks about – they exemplify urban grace in a residential pocket that's one of a kind.

Now, in a rare real estate opportunity, come three new townhomes with the same signature style, designed to fit into the charming, historic neighbourhood. This is your chance to enjoy a way of life that many talk about, but few will be able to enjoy.

Mizrahi Khalili is proud to be offering an opportunity that enhances the heritage of Yorkville with two-level townhomes that have been designed to fit your lifestyle. We have worked closely with the community to design townhomes that follow the heritage of the streetscape and uphold the historic integrity of the neighbourhood. The three townhomes are part of a tiered limestone building of only 35 residences with the amenities of a boutique hotel.

A professionally-trained and uniformed concierge is on duty 24/7. There's an elegant entertainment suite with living room, dining room and adjacent catering kitchen, a fitness retreat, overnight guest accommodations and a private theatre.

Visit our Presentation Gallery at Davenport and Hazelton to find out more about the townhomes to be built at 133 Hazelton on this exclusive residential street in the neighbourhood where everyone would like to live.
